SUBJECT: Garrison Commander's Policy Statement 600-5 Introduction, Consumption and Serving of Alcoholic Beverages on the Installation

(2) MWR's Food, Beverage and Entertainment (FBE), centrally manages the introduction, consumption and serving of alcoholic beverages for control and liability purposes.

(a) Alcoholic beverages (beer and wine) consumed at MWR facilities must be purchased from an installation alcoholic beverage vendor (MWR FBE or Army Air Force Exchange Service AAFES).

c. Civilian Employees and Military:

(2) Alcoholic beverages will neither be sold to, nor purchased on behalf of, any individual less than 21 years of age. Beverage servers may require proof of age prior to serving alcohol to any individual.

d. Discussion:

(1) The Garrison Commander may authorize exceptions to this policy for appropriate occasions (such as organization picnics) and ceremonies. Requests for such exceptions will identify the event, dates, times and number of participating personnel. All such requests must acknowledge that the requesting organization's Commander/Director is responsible to control the consumption of alcohol, to include a self-service bar and the consumption by under-age participants. Requests will include a coordination/concurrence line that indicates that coordination with MWR FBE has been accomplished. The point of contact is the Food Beverage and Entertainment Manager (724-CLUB).
